

PacificWave Partners Limited Announces Acquisition of Controlling Interest in B4MC Gold Mines, Inc.

BEVERLY HILLS, CA, May 12, 2015 – PacificWave Partners Limited (PacificWave Partners), an innovative global merchant bank and investment management firm, announced that on May 12, 2015 it closed, on behalf of itself and a group of private investors based in Europe, the acquisition of a controlling interest in B4MC Gold Mines, Inc. (OTCQB: BFMC), a publicly traded Nevada corporation (the Company). The transaction consisted of (1) the purchase from one of the Company’s shareholders of 26,023,800 shares of the Company’s common stock, representing 61.3% of the outstanding shares, and (2) the purchase from the Company of 248,976,200 newly issued shares.

The aggregate purchase price was \$275,000 (\$0.001 per share). A total of \$45,000 of the purchase price is being held in escrow pending the performance of certain closing conditions, including the requirement that the Company bring current its required filings under the Securities Exchange Act of 1934. The proceeds paid to the Company (\$248,976.20) were used to repay certain outstanding liabilities of the Company, for transaction costs and to fund a portion of the escrow. Other terms of the transaction were not disclosed. The Company is a publicly traded shell corporation with no current operations.

Henrik Rouf, Managing Director of PacificWave Partners, stated: “With the acquisition of a controlling interest in B4MC Gold Mines, Inc., and the related private financing, we now have a platform for the acquisition of an operating company through a reverse merger or similar transaction. We are currently in the process of evaluating potential acquisition target companies in the global environmental remediation markets and other market sectors.”
